Business Beautification Project

The West Milford Chamber of Commerce, in cooperation with Eden Farms, is selling flowers at a discounted price to encourage businesses to help beautify the West Milford town center and Hewitt business areas. We are doing this project again this year where businesses can help make West Milford a beautiful place to shop with businesses all having the same combinations of flowers and colors. Eden Farms is offering 20% off their retail prices for this project. The plant pie combo consists of weather hardy flowers for extreme heat or cold to 28 degrees – pink, sky blue and lime petunias, white verbena and yellow million bells. Eden Farms will plant the triangle by the traffic light with the same colors.

Order deadline is May 1. Order pickups will be May 15 at Eden Farms.
Checks are payable to Eden Farms at time of order.

	Prices	Quantity	Total \$
Plant pie combo only	\$16.00 ea	_____	_____
Plant pie in Coconut Hanging Baskets	\$48.00ea	_____	_____
Plant pie in Fluted Pots	\$40.00ea	_____	_____
